

HOW TO APPLY FOR AN ELECTRICAL PERMIT ON eTRAKiT

Log Into eTRAKiT:

Go to eTRAKiT at www.okeechobeetrakit.com or by locating the eTRAKiT link on our website (<http://www.co.okeechobee.fl.us/>). It will be on the upper left hand side of the Online Permitting and Inspections page.

Once there, you have to make sure that you select “Contractor” and not “Public” to log in. You will not be able to apply, pay fees, or access your Dashboard if you log in as “Public”.

It will then let you pick your company’s name from a drop down list.

Once you have selected your company’s name, type in your temporary password that was given to you. If you did not receive one, or forgot it, please email/call us (planning@co.okeechobee.fl.us or 863.763.5548) to get that information as it is necessary for you to be able to set up your account.

eTRAKiT will take you to your “Dashboard”. On the left hand side of the screen, you will see “Apply” under Permits.

Next, it will take you to a Disclaimer.

After clicking on “I Agree”, click Continue at the bottom of the screen.
